To,

Mr. S.K.Gupta,
M/s. Exim Enterprises
Chandigarh.

Respected Sir,

It was a wonderful Session to learn about the details of Export and Import Policies and Documentation process. However, we came to know the basic requirements to run an enterprise. Though our Students, Faculties and Director appreciated and mark to be considered as a value addition for the students of NIFT Mohali especially GMT and FMM.

We are felicitous for the knowledge you imparted and given such a qualitative time from yours regular routine work. I wish, we will soon be honoured to get your Services in future too.

At last I must say thanks to you and yours team to visit our Campus.

Regards
NIFT, Mohali.
